Workplace Rights

Workplace Rights helps employers with laws regarding wages, hours worked, teen workers and farm labor.

Free
resources!

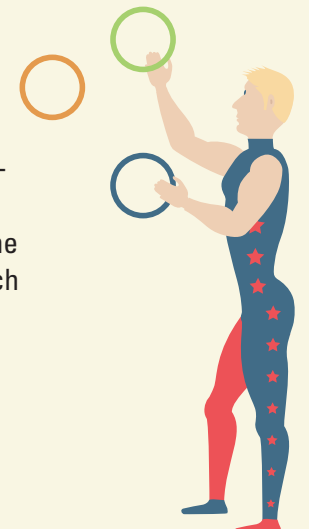

No-Fee Consultation Services

- **Safety Consultation** assists with your Accident Prevention Program and **workplace safety**.
- **Health Consultants (Industrial Hygiene)** can monitor air quality, noise and chemical exposure.
- **Ergonomics** assists with reducing sprains and strains, among the most common workplace injuries.
- **Risk Management** reviews your account, discusses better ways to manage your claims and coaches you on ways to save money on workers' compensation insurance.

My L&I

My L&I provides employers with an easy-to-read dashboard with information related to the work done with L&I, such as licensing, quarterly premium filing, claims information and more.

Small Business Liaison

Small Business Liaison helps small businesses understand and navigate Washington state laws and processes at L&I.
